Talk, Listen & Learn Together

Early Childhood Education Services

About us

Talk, Listen & Learn Together is a team of experienced and passionate Speech Pathologists and Occupational Therapists based at **ONE STOP Allied Health and Medical Centre**, 102, Nuwarra Road, Moorebank. We provide effective, caring, multidisciplinary support for families of children experiencing communication, learning, developmental and motor difficulties.

We also provide a number of outreach and professional development services for local early education centres and schools.

How can we assist you?

Through TLLT we can **tailor services** to suit your needs- examples include:-

- ◆ Educator workshops
- ◆ Demonstration lessons & consultation packages
- ◆ Screening & assessment of children
- ◆ Individual and group intervention programs
- ◆ Family & educator case conferences
- ◆ Parent training programs
- ◆ Support for feeding and fussy eaters
- ◆ Multidisciplinary team support
- ◆ Bilingual services:
 - Arabic
 - Vietnamese
 - Tamil
